疋

A large, black, cursive-style Chinese character '疾' (jí) is displayed on a white background. The character is composed of five strokes: a top horizontal stroke, a vertical stroke, a diagonal stroke, a curved stroke, and a final downward stroke.

chuáng, nè
sickness

radical #: 104

strokes: 5

A large, black, cursive-style Chinese character '疾' (jí) is displayed on a white background, identical to the one in the top left panel.

The image shows the Chinese character '𠂔' (bō) in a standard black font. The character is composed of five strokes: a top horizontal stroke, a left vertical stroke, a right vertical stroke, a bottom horizontal stroke, and a diagonal stroke connecting the bottom of the left vertical stroke to the bottom of the right vertical stroke.

bō

footsteps

radical #: 105

strokes: 5

The image shows the Chinese character '𠂔' (bō) in a purple font. The character is composed of five strokes: a top horizontal stroke, a left vertical stroke, a right vertical stroke, a bottom horizontal stroke, and a diagonal stroke connecting the bottom of the left vertical stroke to the bottom of the right vertical stroke.
